Dear Generous Friends of Mississippi Baptist Medical Center,

Thank you for supporting Mississippi Baptist Medical Center by graciously giving to Baptist Health Foundation. Every gift, no matter the size, has made a significant difference in the lives of our patients and their families. In 2017, your continued generosity enabled us to provide much-needed equipment for our Respiratory Care Department, establish Telehealth capabilities at our Community Hospitals in Attala, Leake, and Yazoo Counties, assist with phased renovations for the Hederman Cancer Center, and supply 21 fetal monitors in the Women's Services area. These enhancements are made possible by

your investment in Baptist Health Foundation.

The changing landscape of healthcare brings challenges for MBMC as these costs continue to rise and reimbursements continue to decrease. Your contributions to Baptist Health Foundation reflect a true commitment to improving the health and quality of life for those with whom you share a city and state. We are continually grateful for our donors.

In addition to celebrating our philanthropic endeavors, it is important to note that 2017 was a remarkable year for Mississippi Baptist Medical Center and our dedicated staff. In March of 2017, it was announced that MBMC received the nation's top honor for nursing excellence called "Magnet." The Magnet Recognition Program® is given by the American Nurses' Credentialing Center (ANCC) to hospitals satisfying a set of criteria designed to measure quality patient care and professional nursing practice. Only seven percent of hospitals in America have been granted Magnet recognition and **Baptist is the only hospital in Mississippi to receive this designation.** Baptist Health Foundation has always known that we have superior staff and we are proud of this formal recognition of excellence.

As you review our 2017 Annual Report, take time to notice the many names of those who selflessly gave of their resources to impact the lives of others. You'll read personal stories from people whose lives were, and continue to be, changed by your generosity.

On behalf of our patients and their families and friends, thank you for choosing Baptist Health Foundation as a place to invest your gifts and your heart.

With grateful appreciation,

A handwritten signature in black ink that reads "Crisler".

Crisler Boone  
Executive Director

**About the cover:** Baptist Medical Center received the nation's top honor for nursing excellence called "Magnet" in March 2017. The Magnet Recognition Program® is given by the American Nurses' Credentialing Center (ANCC), an affiliate of the American Nurses Association, to hospitals satisfying a set of criteria designed to measure quality patient care and professional nursing practice. Only seven percent of hospitals in America have been granted Magnet recognition and Baptist is the only hospital in Mississippi to receive this designation.

# QUICK ACTION AND BAPTIST'S CARDIAC REHAB PROGRAM RESULT IN POSITIVE OUTCOME

*"The people at Baptist made a real difference in my life."*

*Florence Anderson*

"I felt like someone was just squeezing my chest real tight," Florence Anderson said as she reflected on the morning of May 2017. The 70 year-old, semi-retired beautician explained, "It was hard for me to breathe, so I just took an aspirin and lay down. Even after I felt better, I knew I needed to see a doctor."

Florence's father had died of a heart attack when he was 45 years old, and a brother passed away at 50 due to a heart attack. Another brother had a massive heart attack, but survived. She knew she had to take action.

Florence visited her family physician who referred her to a cardiologist who, after a number of tests, determined she needed a heart catheterization. Upon performing the heart cath, the doctor discovered blockages which required a stent, a small wire mesh tube inserted into an artery to keep it open. The stent procedure was done immediately after the heart cath, and Florence went home from the hospital the next day. She then promptly enrolled in the cardiac rehabilitation program at Baptist's Cardiac Rehab facility.

"After I began the Cardiac Rehab program, I began to feel so much better," she stated. "The people there

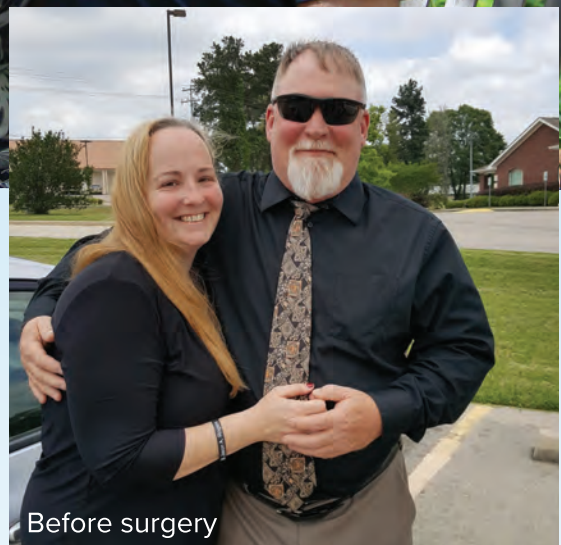

were great! They were extremely caring and helpful. Not only did they assist me with my exercise program, but they also helped me learn a better diet. It made all the difference. I went through the program for 36 weeks and became a lot stronger – and healthier. I no longer get tired or out of breath so easily and now go to the gym four times a week to stay in shape."

Before she retired, Florence worked as a licensed beautician. Now, after retirement, she still works once a week, enjoys sewing, working crossword puzzles and, though she says she's embarrassed to admit, watching old cowboy movies – especially the ones with John Wayne in them.

"My doctor said I was very fortunate because women don't typically have noticeable symptoms of a heart attack. And, when I did, I acted upon it. I'm glad I came to Baptist. I knew it was a good place based on what I had heard and I had a positive experience there many years ago. Now, I can definitely say I've had a recent positive experience. The people at Baptist made a real difference in my life."

# COUPLE UNDERGOES LIFE-CHANGING BARIATRIC SURGERY

*“The people at Baptist’s Nutrition and Bariatric Center were amazing. They patiently and skillfully guided us through the whole process and were extremely supportive.”*  
*Denise and Tim Stringer*

“My father died of a heart attack when he was 38 years old,” Denise Stringer reflected. “So after my doctor wanted to increase my blood pressure medicine, I decided I had to make a dramatic change in my lifestyle.

“I visited Baptist’s Nutrition and Bariatric Center and learned of several options for weight loss. The one that seemed right for me was called a vertical sleeve gastrectomy (where a surgeon removes more than 50 percent of one’s stomach). My insurance would even pay for it, so I was determined to take action. Within eight to nine months, I had lost 80 pounds,” she said.

Tim, Denise’s husband, took notice of her success. “I have had three coronary stents, I was also on blood pressure medicine, and had just been diagnosed with diabetes. So, I also knew I had to make some changes. When I saw the success that Denise was having, I was amazed and decided I needed to do that, too.”

Tim lost 75 pounds and no longer has to take blood pressure or diabetes medicine. Denise is also off of her blood pressure medicine and recently ran a half marathon.

“Running that half marathon was a huge accomplishment for me,” she said. “I feel wonderful.”

Tim agreed. “I feel so much younger!” He laughed, “Between the two of us, we have lost a whole person!”

“The surgery and counseling made a world of difference for us,” Denise stated. “The people at Baptist’s Nutrition and Bariatric Center were amazing. We cannot say enough good things about them. They patiently and skillfully guided us through the whole process and were extremely supportive.

“I definitely believe losing all this weight prolonged our life expectancy. I would absolutely recommend the program to anyone who is committed to a lifestyle change. It has certainly transformed our lives.”

# YAZOO CITY NATIVE APPRECIATES “LOCAL” HOSPITAL

*“I think it’s very important to all of us in the area to have such a good hospital with the skilled and attentive staff that Baptist Memorial Yazoo has.”*

*Ann Cox*

Yazoo City native Ann Cox visited her physician thinking she may have a sinus infection. As it turned out, a blood test revealed she had a low blood count and received two units of blood. After some observation at the clinic, the decision was made to airlift her to Baptist Medical Center in Jackson.

The physicians in Jackson ran several tests and discovered she had a bleeding esophagus and required several more units of blood. Ann was treated and gradually improved over the next few days, but felt weak and could not walk. She wanted to go home to Yazoo City and requested to be sent to Baptist Memorial Yazoo because she had a good experience there a few years ago.

“I was really happy to be admitted to Baptist Memorial Yazoo,” she said “They worked with me to help me recover and were so patient and concerned. By the time I left, I felt wonderful. The people there were exceptional – each one of them. They were all so competent and caring, and just as pleasant as they could be. It is great to have such

a fantastic hospital in my community – where there are family and friends nearby.”

Ann has fully recovered and enjoys pursuing activities important to her like traveling and socializing with neighbors and relatives. “I grew up in Yazoo City and still have family here – including one of my three daughters. Family and friends mean a lot to me and I love the town where I was raised. I think it’s very important to all of us in the area to have such a good hospital with the skilled and attentive staff that Baptist Memorial Yazoo has. That makes living here even better!”

# MOTIVATION IN MOTION

*"Riding just happens to be a healthy passion and, with CCCCRC, a passion that makes a difference for others."*

*Ronnie Harvey*

"This all started when I was getting ready to go to church one Sunday and I couldn't get my coat to button," said Ronnie Harvey, operations assistant at Baptist Northtown Outpatient Physical Therapy Clinic. "I knew I had to do something," he admitted.

Ronnie is talking about his passion for cycling. "When my mother passed away with cancer, I gained a lot of weight because of how I was dealing with my grief. Going to the gym and dieting just didn't seem to help. Having worked at Baptist for 20 years, I had known about the Century Ride, but did not think much about it. I suddenly became very motivated. I decided to ride in memory of my mother – who was like my best friend – and also to get myself in shape. So I rode for the first time in 2011."

"As it turns out, I love to ride. I ride for fun during the week and on weekends – usually 25 - 30 miles. I also enjoy the various rides throughout the state. Cyclists Curing Cancer is absolutely my favorite and riding on the Natchez Trace is really awesome.

Even the rest stops are fun with all the great refreshments along with lots of encouragement from the volunteers!

"Since I started riding, my brother had prostate cancer, my sister was treated for breast cancer, and a very close friend has battled brain cancer. Amazingly, all are doing well now, but that just motivates me even more. There are so many people affected by cancer. Knowing I can help raise money to benefit cancer patients by participating in CCCCRC, really makes the ride even better."

Proceeds from the CCCCRC go toward the Oncology Patient Navigator efforts and sustaining the Serenity Garden at Baptist Cancer Center.

"I have lost nearly 50 pounds since I began riding and have discovered something I love to do."

# CYCLISTS CURING CANCER CENTURY RIDE

Cyclists Curing Cancer Century Ride continues to grow with the 2017 CCCC involving more riders, more event partners, more volunteers, and more contributions than previous years.

The weather could not have been better as the 400 riders streamed onto the historic Natchez Trace at 7:30 a.m. to enjoy a perfect day to cycle along the scenic route. Four themed rest stops, manned with enthusiastic volunteers, provided refreshing snacks and encouragement for the cyclists. Upon crossing the finish line, the riders were greeted with chilled towels and ice-cold chocolate milk. Other amenities included a catered lunch, live music, door prize giveaways, massages, and more.

To all those who helped make this event a huge success, thank you! We appreciate the time, effort, and willingness to be a part of such a great event to raise valuable resources for Baptist Cancer Center and the Serenity Garden.

Be sure to mark your calendars for the 2018 Cyclists Curing Cancer Century Ride on Saturday, September 8. Hope to see you there!

# HEARTS & CLUBS GOLF TOURNAMENT

Over 100 players and volunteers enjoyed the first Hearts & Clubs Golf Tournament at Annandale Golf Club on April 11, 2017. The Hearts & Clubs event is designed to support Baptist Heart and Baptist Health Foundation. The highlight of the day was our special guest, PGA Tour Player Troy Matteson, playing Hole #8 with every foursome. Matteson spent time with each group -- even making a hole-in-one for one fortunate team! Participants enjoyed beautiful weather, a delicious lunch, a post-round awards reception, and more. A sincere "thank you" to all that participated!

**2017 AT A GLANCE**

FUNDS RAISED  
**\$132,515**

FUNDS UTILIZED  
**\$82,801**

PATIENTS  
**122**

**fund for the girls** supports underserved Mississippians by breaking down the financial barrier that prevents some from seeking needed breast health services -- including screening and diagnostic mammograms, ultrasounds, biopsies, and other services medically indicated.

In 2017, thanks to individuals, school groups, and businesses, we raised \$132,515 for **fund for the girls** and assisted 122 patients -- helping women facing financial difficulties get the care they need to prevent and defeat breast cancer.

Detecting breast cancer early -- primarily through screening services -- is critical when battling the disease. Mississippi ranks among the top states in the U.S. with the highest mortality rate, which is the reason Baptist established this life-saving initiative.

Since its establishment in 2012, we have raised nearly \$800,000 for **fund for the girls** and assisted 1,300 patients. **fund for the girls** supports women through the full continuum of breast care, and 100% of dollars raised goes to support local, direct patient care.

# THANK YOU FOR OUR SIMULATION CENTER

*that provides real-life experiences to enhance quality patient care.*

*“The Simulation Center provides a great learning experience preparing us for real-life clinical situations. Our patients benefit from the practice, skill, and knowledge we gain from having access to this state-of-the-art Simulation Center. THANK YOU!” – Clinical Nursing Staff*

## **ABOUT SIMULATION:**

- Mimics an experience or scenario that could be encountered in the clinical area or workplace
- Designed for the learner to demonstrate critical thinking, procedural expertise, and decision-making skills
- Assists in providing safe, competent patient care
- Produces positive patient outcomes

## **WHY SIMULATION?**

- Provides safe, controlled learning environment
- Allows no risk to patients
- Achieves standardization and replication
- Increases knowledge, skill, and competence
- Provides team-based training method

*Thanks to the many donors who gave generously so we can practice real-life patient scenarios in a safe learning environment. Our healthcare professionals are more prepared and confident to face actual clinical situations because of the Simulation Center.*

# Carry the MISSION

20th Anniversary

**CARRY THE MISSION**  
**RAISED \$356,310**  
**HELPING ASSIST**  
**90 EMPLOYEES &**  
**67 LOCAL CHARITIES**

**Giving to Carry the Mission is just the right thing to do – kind of like giving to church. In fact, I've seen instances where I don't know what people would have done had it not been for assistance received from CTM. It is a great way to help others.**

**Rosa Cooper**  
 Lieutenant,  
 Security Department

Carry the Mission, Baptist Medical Center's employee giving campaign, celebrated 20 very influential years in 2017. This unique employee-driven initiative depicts a true example of why Baptist is a special place. Through the generosity of Baptist employees, our co-workers and local nonprofits benefit from Carry the Mission dollars. Carry the Mission's impact is further enhanced through Baptist Medical Center's match of 50 cents for every dollar employees donate. In 2017, Baptist employees raised, with the Baptist match, \$356,310.

Last year, Carry the Mission, through its Employee Benevolence Fund, Scholarships, and Christmas Assistance Program, assisted 90 employees. Since the campaign began 20 years ago, the Employee Benevolence Fund has granted more than \$2,400,000 to support over 1,400 employees in need. Carry the Mission also provided donations to 67 local charities last year. Baptist Medical Center employees have contributed more than half a million dollars to hundreds of nonprofits in recent years, directly enriching our local communities through Carry the Mission.

Baptist employees are extremely proud of the positive difference Carry the Mission makes in the lives of our team members and in the community we serve.

**Giving to Carry the Mission** is my way of supporting all my fellow co-workers. I've been a part of the Baptist family for 11 years and know co-workers in all places, but sometimes we don't know what people are going through personally.

### BAPTIST HEALTH FOUNDATION MISSION STATEMENT

Our Mission is to assist Mississippi Baptist Medical Center in providing the highest quality healthcare, guided by its Christian faith, through financial support and stewardship.

### BAPTIST HEALTH FOUNDATION VISION STATEMENT

Our Vision is to be our community's preferred healthcare charitable organization, recognized for extraordinary stewardship, involving all those wishing to share gifts of time, talent, and resources.

## LEGACY SOCIETY

The Legacy Society honors, and is open to, anyone who includes Mississippi Baptist Medical Center as a beneficiary in a will, trust, gift annuity, life insurance policy, or other such planned giving methods.
