

# 2019 ANNUAL REPORT

*Moving Forward in the Fight Against Breast Cancer*

Stephen D. Snead  
*Executive Director*

Thank you

Dear Friends of the Baptist Health Foundation,

I am so pleased to be the new Executive Director of the Baptist Health Foundation. The opportunity to serve Baptist and you, our donors and friends, is a great privilege. Thanks to the incredible work of my predecessors and our wonderful team, you will read in these pages numerous stories of how your support is making a difference. Thanks to the generosity of many donors, Mississippi's first mobile mammography unit will provide a critical service to countless women in our community who would otherwise not have access to mammogram screenings. You can be proud that your gifts helped make this service a reality.

The mobile mammography unit is just one example of the many significant projects funded through the Baptist Health Foundation in 2019. Through your support and the good financial stewardship of our resources, we provided more than \$1 million in funds to purchase critical equipment and technology for respiratory care, women's services, radiology, the heart center and our cancer center.

The stage is set for an even more exciting year ahead. In 2020, Mississippi Baptist Medical Center will unveil the new Chapel Hall Critical Care Waiting Area. Thanks to a successful capital campaign, the first floor of MBMC will now include this carefully planned and thoughtful area for anxious families. Not only will this space serve our families in their time of need, it will also remind everyone who passes through our halls that the care we give at Baptist is not just for the body, but also for the soul.

If our team can ever serve you, please call our office at 601-968-1489 or email me personally at [stephen.snead@bmhcc.org](mailto:stephen.snead@bmhcc.org). Thank you for the difference you make in the lives of so many through your support of Baptist.

With appreciation,

Stephen D. Snead  
Executive Director  
*Baptist Health Foundation*

## ABOUT THE COVER

Thanks to very generous friends like you, our new mobile mammography unit is now serving Central Mississippi and making 2D and 3D screening mammograms available to more women in our community.

It removes insurance and transportation barriers and allows us to deliver care where it's needed. And it allows us to advance our mission of providing quality care for our community.

Baptist's new mobile mammography unit also complements our other women's health initiatives, such as **fund for the girls**, which makes financial assistance available to women who are uninsured and underinsured.

We're proud to support women and offer the only mobile mammography van of its kind in Central Mississippi.

Dear Friends,

Thank you for your gracious support and generosity in 2019. Your contributions helped us make a difference that matters. We've been able to deliver advanced care, introduce new technology — and save more lives.

We are good stewards of your gifts and make every dollar count. We invest in technology, equipment and services that push our care farther and our quality higher. Our patients and the medical community have taken notice.

In 2019, Mississippi Baptist Medical Center earned numerous awards, certifications and accreditations, including U.S. News & World Report's No. 1 hospital in Mississippi, Becker's Hospital Review's 100 Great Hospitals for 2019, Leapfrog's Hospital Safety Grade 'A' for patient safety, Women's Choice Award for America's Top 100 Major Hospitals for Patient Experience, and Parents & Kids 2019 - Best Hospital and Best Labor & Delivery. Additionally, we earned awards for cardiovascular care, orthopedics and spine, and several disease-specific designations from Joint Commission.

We continue to be the first and only hospital in Mississippi to receive Magnet designation. It is the nation's top honor for nursing excellence — only 7% of hospitals in America have received this designation. It shows just how much our nurses care.

I hear from individuals in the community every day who say our people and our faith-based mission set us apart. I think it's true, and I'm proud of our people and our mission. And I am grateful to have generous friends like you who help make Baptist the best hospital in Mississippi.

We could not achieve these accolades without your meaningful support. Again, on behalf of all of us at Baptist, thank you.

With much gratitude,

Bobbie K. Ware  
Chief Executive Officer  
*Mississippi Baptist Medical Center*

Bobbie K. Ware  
*Chief Executive Officer*

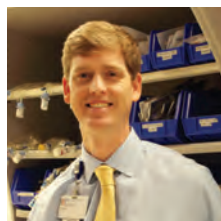

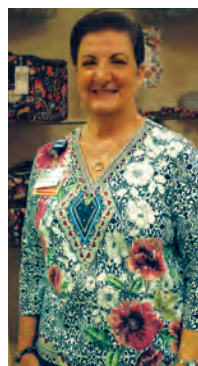

Thank you

## MISSION STATEMENT

Our Mission is to assist Mississippi Baptist Medical Center in providing the highest quality health care, guided by its Christian faith, through financial support and stewardship.

## VISION STATEMENT

Our Vision is to be our community's preferred health care charitable organization, recognized for extraordinary stewardship, involving all those wishing to share gifts of time, talent, and resources.

# Jack Lee

## A BELIEVER IN CARDIAC REHAB

As a young salesman, Jack Lee had his first heart attack at 45 years old. After his quadruple bypass, he felt much better, but opted not to participate in cardiac rehab. “I was hardheaded,” he admitted. Eight years later his cardiologist told him he needed a stent.

Time went by and, as he neared retirement, bladder cancer brought Jack back to Baptist. As he battled cancer, he learned he needed yet another stent.

“This time, my wife got my attention and strongly encouraged me to go through Baptist’s cardiac rehab program. I have to admit, it was one of the best decisions I’ve made. I can actually feel and see the benefits. I lost 12 pounds, my blood pressure went down, my waist size decreased and my endurance went up. All the staff are just amazing people and great motivators. I enjoy coming way more than I ever thought I would!

“I have to praise the physicians as well — my urologist and cardiologist and their staff are just great. No one wants to have these health issues, but it’s good to know that Baptist is here for you when you do. I can’t imagine the care being better anywhere else!”

*My wife got my attention and strongly encouraged me to go through Baptist’s cardiac rehab program. I have to admit, it was one of the best decisions I’ve made.*

# Dr. Barbie Sullivan

## PASSIONATE PHYSICIAN TURNED CANCER SURVIVOR

*Because of early detection, I am very fortunate to need no further treatment.*

Dr. Barbie Sullivan has been an OB-GYN at Baptist for more than 20 years. She has always been a strong advocate for screening mammograms and early intervention to detect breast cancer. In 2012, she was instrumental in starting **fund for the girls**, a program designed to provide vital screening mammograms and other breast health services to the uninsured and underinsured in Mississippi. Then, in October 2019, Dr. Sullivan heard the words a patient never wants to hear, "You have an abnormal mammogram."

"I was completely caught off guard," Dr. Sullivan recalled. "I had no symptoms and have no family history of breast cancer, but

I did have my annual screening mammogram and that's how the abnormality was detected."

A biopsy revealed a very early malignancy and she opted for a bilateral mastectomy.

"Because of early detection, I am very fortunate to need no further treatment. If I had waited another year or longer, my outcome could have been much worse. My heart goes out to the women with a much different story, which is why I have been so passionate about **fund for the girls**. I want every Mississippian to be able to receive

breast health services regardless of their ability to pay."

**Fund for the girls** supports underserved Mississippians by breaking down the financial barriers that keep many from seeking those needed services.

"I have advocated the importance of early detection for years," said Dr. Sullivan. "Now, I can give my own real-life testimony and, hopefully, encourage others to get their mammograms — maybe even save lives, because that is what early detection is all about."

# Jon David Smith

## MAGNIFYING HIS GIVING

Several years ago, Jon David Smith reflected on the many ways Baptist had affected the lives of his family and friends.

“That’s when I made the very easy decision to ‘give back’ to Baptist,” said Jon David, now a retired businessman. “Time and time again, I had witnessed compassion and concern by so many on Baptist’s team.”

When trying to determine the best way he could make a meaningful gift, he decided to purchase a life insurance policy and named Mississippi Baptist Medical Center as the beneficiary.

“This arrangement was easy to make and allows me to make small payments that will ultimately result

in a nice-sized gift,” said Jon David. “I guess you can say it magnifies my giving.”

For Jon David, it was important to direct his support to an area that was meaningful to him. His wife Carol had passed away 20 years ago and had been involved in a group at Baptist that sewed infant gowns for babies who were stillborn or who had died soon after birth. Jon David was touched by the heartwarming effect this had on families and decided

to designate his gifts to providing memory boxes for grieving parents.

“As the years have passed,” he reflected, “I continue to witness the high level of commitment Baptist provides and feel a real sense of satisfaction knowing my giving will make a meaningful difference for people who are at a point of need. That’s the reason I give to Baptist.”

*Time and time again, I had witnessed compassion and concern by so many on Baptist’s team.*

# Jessica & Tom Murphy

## CHERISHING MEMORIES, CELEBRATING LIFE AND KEEPING FIT

*My mom had such wonderful care at Baptist — the doctors and other health care professionals were so compassionate and capable. I am very appreciative of that.*

said Jessica. “Tom’s quite the athlete!”

“I told Jessica, if we’re going

life, for all that she meant to me. And I get to support Baptist. My mom had such wonderful care at Baptist — the doctors and other health care professionals were so compassionate and capable. I am very appreciative of that.”

Among Jessica Murphy’s fondest childhood memories is riding bikes with her mother Mittie Buck.

“That was so much fun!” recalled Jessica.

Sadly, Mittie passed away in 2014, about a year after being diagnosed with cancer. Jessica relied on her faith in God to help her overcome her grief. It was this faith that led her to identify ways to celebrate Mittie’s life.

“Not long after losing my mother, my husband Tom and I decided we wanted to take up biking to honor my mother and to stay fit,”

to take up biking, we need to do ‘real’ biking,” said Tom. “I love sports. Having played high school football, I’m very competitive.”

While visiting a local bike shop to find some “serious” biking equipment for their newfound passion, Tom saw a flyer for the Cyclists Curing Cancer Century Ride. He told Jessica they needed to be a part of that.

“Tom just inspired me,” Jessica admitted. “He’s very thoughtful and knew this would be good for us to do — physically and emotionally. I ride in celebration of my mother’s

“The Ride along the Natchez Trace is beautiful, too,” said Tom. “We enjoy the people, the rest stops, the whole atmosphere of the ride. We ride in other events, but often wait and check the weather for those. However, for the Cyclists Curing Cancer Century Ride, we are going to be there rain or shine! We’re not going to miss it!”

# CYCLISTS CURING CANCER CENTURY RIDE

More than 300 cyclists from across five states pedaled along the historical Natchez Trace Parkway on Saturday, September 7, 2019, marking the 18th Annual Cyclists Curing Cancer Century Ride. The ride commenced at the Clinton Healthplex, curled through the scenic parkway covering 100 miles, round trip—with options of 25, 50, 62 or 100 miles. Four themed rest stops offering refreshing snacks, beverages and a lot of encouragement contributed to the fun-filled day. At the finish line, cyclists were greeted with ice cold chocolate milk, chilled towels, a fabulous lunch catered by The Manship, live music, door prizes, massages and more.

Proceeds from the Ride benefited Baptist Cancer Center's Serenity Garden and patient navigator program, which provide comfort and care for our cancer patients and their loved ones.

Many thanks to over 300 riders, 100 volunteers and 32 event sponsors for making Cyclists Curing Cancer Century Ride one of the premier cycling events in our area.

Be sure to **mark your calendar for September 12, 2020**, and join us for another fantastic Ride!

Any way you slice it, our third annual Hearts & Clubs Golf Tournament had its most successful year yet! This year, 24 teams hit the fairway at the Country Club of Jackson on April 15, 2019, and enjoyed the perfect weather and immaculate greens of the golf course.

reception featured fun door prizes and a mouth-watering buffet, catered by M.M. Shapley's.

Proceeds from the tournament were used to purchase lifesaving medical equipment for cardiac patients.

The players received impressive gifts and a tasty lunch, provided by The Manship. The post-round

Mississippi has one of the highest breast cancer mortality rates in the nation, with nearly 420 women dying each year. Early detection, primarily through screening mammograms, is the single most important factor for decreasing these rates.

Mississippi Baptist Medical Center created **fund for the girls**, which makes vital breast health services—including screening and diagnostic mammograms, ultrasounds, and biopsies available to members of the community who are uninsured or underinsured.

One hundred percent of the funds raised for **fund for the girls** is used to provide breast health services to the patients in our community who need it most.

*Thank you*

**FOR SUPPORTING LEADING-EDGE TECHNOLOGY FOR OUR CARDIOLOGY PATIENTS!**

Baptist Heart's new EPIQ CVx is a premium heart ultrasound system that provides greater accuracy and faster results for our patients.

Your generosity also allowed Baptist Health Foundation to provide significant gifts in 2019 including:

- Mobile mammography van supplies and equipment
- Baptist Cancer Center renovation
- Newborn Intensive Care Unit infant warmers
- Well-Baby Nursery hearing machine
- Surgery department equipment
- 14 temporary pacemakers for cardiovascular services
- Telehealth equipment
- Lodging and transportation for patients in need
- Mammograms for uninsured and underinsured patients

# Thank you FOR YOUR SUPPORT

*Your support means a great deal to us, and we have made every effort to list your name accurately. If your name is not listed as you wish, please call or email us. Thank you!*

# Carry the MISSION

Carry the Mission, Mississippi Baptist Medical Center's unique employee giving campaign demonstrates our compassionate and community-minded culture. With 1,190 employees participating, we raised \$216,980 in 2019.

Carry the Mission funds are divided into three categories: 40% toward employee benevolence, 40% toward community assistance, and 20% to Baptist Health Foundation for needs within the hospital and community. In 2019, Carry the Mission assisted 138 employees through its Employee Benevolence Fund which also includes scholarships and Christmas assistance. Additionally, in 2019, Carry the Mission helped enhance our community through supporting 40 nonprofit establishments. Since Carry the Mission began in 1997, it has helped over 1,500 employees and hundreds of local organizations.

**We are very proud of the impressive difference Carry the Mission makes every year for our team members as well as our community where we live and work.**
