

*Extraordinary Times Call  
for Extraordinary People*

**STEPHEN D. SNEAD**  
Executive Director

Dear Friends of the Baptist Health Foundation,  
The year 2020 began with a joyful celebration launching our new mobile mammography unit. Joined by generous donors, local officials, and colleagues, we dedicated a project that was years in the making and funded by you. The year was off to a great start!

Then COVID-19 suddenly changed our world. One cannot summarize everything that happened last year, but looking back, themes emerge: calm and steady leadership, focused patient care, creative problem solving, steely determination, teamwork, faith, and endurance.

Christian health care is different. Doctors pray with patients, chaplains help patients connect with their loved ones through video, and nurses pick up extra shifts on COVID patient floors out of a sense of service and grace. Scripture verses on our hospital walls take on new meaning when you see “love thy neighbor” being lived out right in front of you.

It is humbling to work alongside our dedicated caregivers, and it is our immense privilege to support them. In 2020, Baptist Health Foundation funded an extensive renovation of Mississippi Baptist Medical Center’s emergency department, a critical equipment upgrade in the Hederman Cancer Center, and iPads so

patients and loved ones could communicate while having to be apart due to visitation restrictions during the pandemic. You will see more acts of empathy and service in the following pages.

In 2021, with your help, we will provide life-saving equipment in an expanded intensive care unit, cameras for our newborn intensive care unit (NICU) so parents can see their babies when they are unable to be in the hospital, and seed funding for a pharmacy residency program. Additionally, thanks to your overwhelming support, we will open the doors to our long-anticipated Chapel Hall Critical Care Waiting Area.

Thank you for your partnership and your financial support of our great Baptist team! You truly do make a huge difference in the lives of our patients and families every day.

With much appreciation,

Stephen D. Snead  
Executive Director  
*Baptist Health Foundation*

Thanks to the generosity of friends like you, families and loved ones of critically ill patients will soon benefit from our new Chapel Hall Critical Care Waiting Area, an extraordinary concept designed to meet the special needs of these family members. Construction is wrapping up and the space will be ready for use by the middle of 2021.

**BOBBIE K. WARE**  
Chief Executive Officer

Dear Friends,

If the pandemic has shown us anything, it is just how special the Baptist team is. Over the last year, we witnessed Baptist team members rising to the challenge, delivering safe, quality health care amid an unprecedented global health crisis. And your support lifted them up every step along the way.

If you have driven down State Street in Jackson since last summer, you have seen our “Heroes Work Here” banner on the walking bridge that connects Mississippi Baptist Medical Center to the Belhaven Building. When we look back on the past year, it is not an exaggeration to say that heroic acts became commonplace. When a pandemic strikes, everyone has to respond. New protocols go into effect, team members work extra shifts, beds fill up, and every detail of hospital operations is seen in a new light. Under constantly changing conditions, our team adapted, saved lives, and provided comfort to families. And the community response of donated meals, expressions of gratitude, and financial support has meant the world to our staff.

We know you, too, were impacted by COVID-19. So many in our communities suffered illness or loss, saw businesses struggle or close, and balanced competing pressures during a most difficult year. Still, throughout 2020, your support of Baptist never wavered. For that, I am extremely grateful. Our employees also suffered through

loss. Their spouses lost income, children were sent home from schools, and family members became ill. Yet, in the midst of COVID-19 our employee giving campaign, Carry the Mission, set new records. Carry the Mission provides relief to employees, support to local charities, and key funding for hospital needs. Like you and other Foundation supporters, our employees selflessly found it in their hearts to give generously to Baptist.

And because of your support, Mississippi Baptist Medical Center continued to receive regional and national accolades. We were once again named the #1 hospital in the State of Mississippi by U.S. News and World Report and we received Leapfrog’s Hospital Safety Grade ‘A’ for patient safety.

It goes without saying that none of this – our pandemic response, support for our team members, community involvement, patient assistance, and so on – is possible without your contributions of time, talent and treasure. Thank you for being such a critical part of the Baptist family!

With sincere gratitude,

A handwritten signature in black ink that reads "Bobbie".

Bobbie K. Ware  
Chief Executive Officer  
*Mississippi Baptist Medical Center*

“Through whom we have also obtained access by faith into this grace in which we stand, and we rejoice in hope of the glory of God. Not only that, but we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God’s love has been poured into our hearts through the Holy Spirit who has been given to us.” - Romans 5:2-5

Dear Friends,

All years are not created equally. As it was for all of us, 2020 was as an extraordinary year at Mississippi Baptist Medical Center. We lived through experiences that were unique to us, and experiences that we shared with the rest of the world.

We lost friends and family and said goodbye to far too many souls in 2020. We grieved together and prayed together. We lost together and won together.

Prior to the pandemic, if we had to tell you how we would make it through, we likely could not have because we would find it very hard to come up with the right words. What is important is that we did make it.

The only obvious thing now is that our faith carried us. Faith in God the Father and in one another carried us through.

God gave us a collective hope. It was this hope that made it possible to survive each day. Hope made it possible to withstand every loss and setback. Hope allowed us to go from the bedside to the graveside, and back to the bedside to fight again. It helped us to keep so many patients and their caregivers safe when danger threatened.

Hope never failed us. It allowed us to realize that this is, without a doubt, our finest hour. Hope in our loving God and His plan for us kept us going in 2020, and it keeps us going today.

Heath G. Ferguson  
Director of Pastoral Care

## Keneen Childress

### Surviving COVID-19

***“The entire time I was cared for by top-notch professionals. They acted as God’s angels in uniforms – they saved my life!”***

**W**hen Keneen Childress learned that he had been exposed to an asymptomatic COVID person, the 40-year-old medical sales representative was tested immediately. While he anxiously awaited his test results, he began to experience flu-like symptoms.

As his symptoms worsened, Keneen went to the ER and was admitted to Baptist. His health deteriorated rapidly and he became short of breath. He was put on a BiPAP machine to help him breathe. In a few short days, Keneen was moved to the ICU where he was put on a ventilator and began to show signs of kidney failure. He received a tracheostomy to further assist his breathing. To make things worse, he went into respiratory distress and experienced three mini-strokes. His family was told he might not survive.

“It was such a whirlwind and there were so many unknowns,” said Candance, Keneen’s wife and a nurse practitioner. “I couldn’t believe this was happening and the fact that I couldn’t be with him made it even worse. Chaplain Heath Ferguson helped so much. He would dress in protective gear to be with Keneen and they would FaceTime me. That just meant everything to us!”

Finally, Keneen began to show signs of improvement, though he still had issues with circulation in his toes brought about by his COVID-19 infection. He was moved to another area of the hospital for two more weeks so he could gain strength to begin rehab. Once he was strong enough, he was admitted to a rehabilitation hospital where he stayed for more intensive therapy for three additional weeks. He was discharged almost 10 weeks after being first admitted.

Once he regained most of his strength, Keneen returned to Baptist for surgery to have all 10 of his toes amputated due to the damage caused by poor circulation.

“I’ve had to be fitted for orthotics and, through rehab, learn how to walk with my disability,” said Keneen. “It has taken a while, but I feel like I’m recovering well. The care I received at Baptist was exceptional. The entire time I was cared for by top-notch professionals. They acted as God’s angels in uniforms – they saved my life!”

Candance agreed.

“The care was amazing,” she said. “Even when the staff was working so hard, they would still stop and pray with me. God truly did move through them. We are so grateful for the care at Baptist!”

# Melissa and Carson Case

Grateful for the Skill and Compassion of the NICU Staff

***“We are so thankful for the outstanding nurses, the doctors and to God for bringing us through this.”***

“**W**e knew having twins, particularly identical twins, could be especially risky,” said Carson Case, whose wife, Melissa, was being monitored closely by doctors as her due date approached.

Everything was going smoothly until she went to a regularly scheduled appointment with the maternal fetal medicine specialist during the 27th week of her pregnancy. Carson got a call from Melissa, who told him there was a problem. In just a few days, their babies had developed an acute case of Stage 4 Twin-to-Twin Transfusion Syndrome, a serious prenatal condition where twins share unequal amounts of the placenta’s blood supply resulting in the two fetuses growing at different rates.

“That night, our girls had to be delivered immediately due to dramatic drops in one

of our twin’s, Piper’s, heart rate,” recalled Carson. “Our other little girl, Lily, sadly passed away shortly after they were born, and Piper was admitted to the NICU. Melissa was sedated during the delivery, so I had to break the news to her when she woke up. That was tough. We were able to spend some time with Lily and will always treasure those precious moments we had with our angel.”

Piper spent 83 days in the NICU, where Melissa and Carson experienced many ups and downs. After two weeks in the NICU, Piper contracted meningitis.

“The nurses in the NICU were just awesome,” Melissa said. “We are so very grateful for all our nurses and doctors at Baptist. They were caring, supportive and very capable, and became like close family members. Because of them, Piper beat the meningitis.”

“They were not there just for Piper, but for us, too,” added Carson. “They clearly understand the special needs that parents of NICU patients have.”

“There were many highs and lows and lots of very special moments there,” Melissa recalled. “The most special was the day we went home and Piper could join her two big sisters. It was close to Christmas Day, and the whole experience just seemed like a miracle.”

Today, Piper is a normal, active two-year-old, with no evidence of the traumatic start she had.

“Our little Piper truly is a little miracle,” said Melissa. “We are so thankful for the outstanding nurses, the doctors and to God for bringing us all through this. We have stayed in touch with our NICU nurses and will consider them friends forever.”

# Ann and Mike Hightower

## Regifting with Compassion

Mike Hightower proudly presented an IRA to Baptist Health Foundation with a message — “This gift is not from me, it’s from Ann.” Ann Lampe Hightower was the light of Mike’s life. She was manager of B-Bop Record Shop for 36 years until the store was forced to close. She later took a job at the Cherokee Inn Grill where she and Mike met. It wouldn’t be the last time Ann would turn something negative into something very positive.

While Mike and Ann courted, Ann sold her home and lived off the proceeds until she reached Social Security age. Shortly after that, Ann discovered a lump in her breast. A mammogram and biopsy indicated she would need a mastectomy. Ann was devastated, and she had no idea how she would be able to afford the surgery on her fixed income.

Her doctor told her about **fund for the girls**, a program unique to Mississippi Baptist Medical Center that could help ease her financial burden. She applied for and received assistance from **fund for the girls**.

“She was really, really grateful,” said Mike. “It brought her so much relief.”

After her surgery, she was doing well and getting routine check-ups. But she developed cancer again -- this time it was very advanced in her liver, lungs, and brain.

“I know this may sound crazy to some people, but, even though we realized Ann would not have much time in this world, we decided go ahead and get married,” said Mike. “We were very much in love. She was the most

incredible person I’ve ever known.”

After Ann passed away, Mike learned she had named him as a beneficiary in her IRA. But he knew there was a better legacy for Ann to leave, and one more way to make the very best out of an otherwise sad situation.

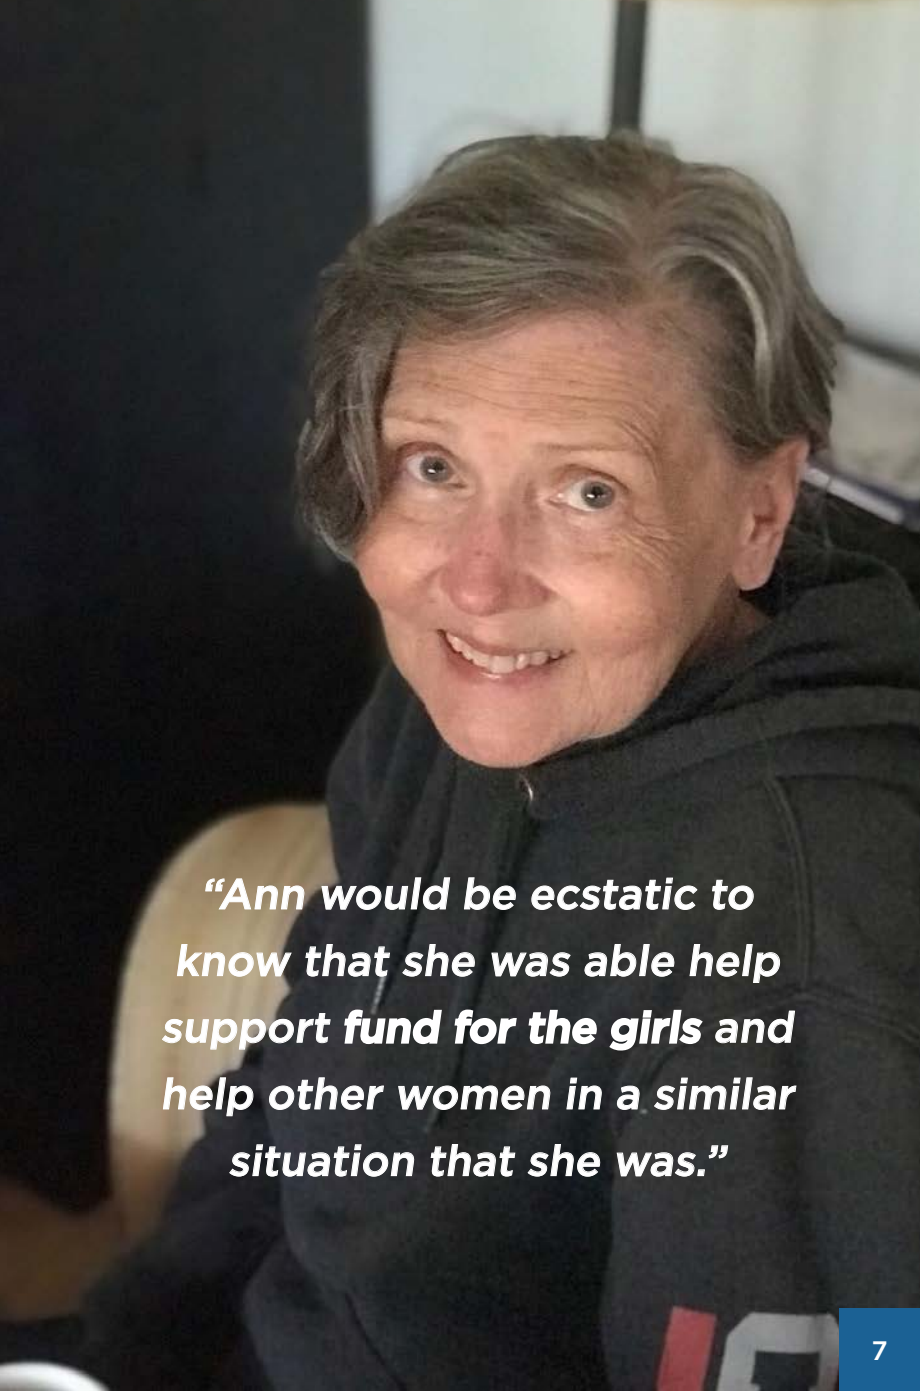

“Now, I’m not an extravagant person. I have everything I need and didn’t want to accept it,” said Mike. “But, it dawned on me that Ann would love to see that money go to **fund for the girls** where other women who need help, like she did, could get help. That would make her really happy.”

So, Mike met with his financial adviser and changed the beneficiary to the Baptist Health Foundation and designated it for **fund for the girls**.

“That was such an easy thing to do,” he said. “And I know Ann would be ecstatic to know that she was able support **fund for the girls** to help other women in need. It makes me feel good to know that her money will go to such a terrific cause - where I know it will truly make a difference.”

---

If you are interested in making Baptist Health Foundation a beneficiary of an IRA or insurance policy, please contact Stephen Snead, Executive Director, at [stephen.snead@bmhcc.org](mailto:stephen.snead@bmhcc.org) or (601)-968-1209.

**“Ann would be ecstatic to know that she was able help support fund for the girls and help other women in a similar situation that she was.”**

## fund for the girls

Crucial Care for Women in Need

The breast cancer mortality rate in Mississippi is among the highest in the nation. Early detection, primarily through mammography screenings, plays a critical role in the survival rate. That's why we started **fund for the girls**. Unique to Mississippi Baptist Medical Center, **fund for the girls** is a breast health initiative that covers the cost of breast health services including screening and diagnostic mammograms, ultrasounds, and biopsies for Mississippians who are uninsured or underinsured.

Our radiologists and MBMC make this initiative possible by reducing mammogram fees for these patients. Baptist Health Foundation, through generous donations, provides financial assistance to cover the remaining costs.

**fund for the girls** helps women through the full continuum of breast care (not just a single episode of care) and 100% of the funds raised goes to support local, direct patient care.

## Quality Care Close to Home

**DARYL WEAVER**  
*Chief Executive Officer*  
*Baptist Memorial Hospital-Leake*

### BAPTIST LEAKE

It has been rewarding to lead **Baptist Memorial Hospital-Leake** and work with the dedicated staff of this 25-bed community hospital. Baptist Leake delivers inpatient, outpatient, and advanced diagnostic services to enhance the quality of life for families in Leake County and surrounding areas.

We are proud of our new facility that opened in 2015, where we offer acute care and swing bed services, as well as an intensive outpatient program for gero-psychiatric patients, a 64-slice CT scan, MRI, vascular ultrasound,

echocardiography, GI endoscopy, wound care, podiatry services, and a 24-hour emergency department.

We offer primary care services at three rural health clinics on the Carthage hospital campus, plus Walnut Grove and Madden. The Birthplace from Mississippi Baptist Medical Center in Jackson also offers satellite services in Carthage. We have a full-time women's health nurse practitioner, and a board certified OB/GYN physician who is on-site weekly supporting prenatal care. We also have additional providers at Leake who practice family medicine, pediatrics, and hospitalist services.

In 2020, Baptist Leake joined Baptist Health Foundation, Mississippi Baptist Medical Center, and Baptist Memorial Health Care's other critical access facilities in Central Mississippi to offer mobile mammography services. And, in 2021, Baptist Leake will provide on-campus, virtual clinics for Leake County School District's students—the first clinic of its kind for BMHCC.

There is much to be excited about at Baptist Leake as we offer great health care close to home for so many in the Leake County area.

As CEO of **Baptist Memorial Hospital-Attala** and **Baptist Memorial Hospital-Yazoo**, I am proud to say we are committed to our communities. I am grateful for our skilled and caring professionals as they navigate the challenges we've faced during the COVID-19 pandemic. Even as many of our team members have had to face the challenges and struggles the pandemic presented in their personal lives, they still come to work each day devoted and focused on caring for our patients.

### BAPTIST YAZOO

At Baptist Yazoo, we offer inpatient and outpatient care, advanced diagnostic services, and a 24-hour emergency department to enhance the quality of life for families in Yazoo County and surrounding areas. Working together, the physicians and medical team at Baptist Yazoo provide compassionate care for our patients.

Baptist Yazoo also offers specialty clinics in cardiology, general surgery, cataract and eye surgery, gastrointestinal (GI) and endoscopy services, orthopedics, wound care, an outpatient geriatric day program and we provide care for swing bed dialysis patients. Additionally, Baptist Yazoo has a primary care clinic within the hospital.

### BAPTIST ATTALA

Baptist Attala serves Attala County and surrounding areas. Founded in 1938 as Montfort Jones Memorial Hospital, this hospital has a history of patient-centered care. Offering inpatient and outpatient care and 24-hour emergency department services, Baptist Attala remains committed to providing immediate access to quality care.

Our medical staff is highly skilled, with extensive and varied experience, allowing them to serve a wide range of patient needs including pain management, outpatient wound care, outpatient rehabilitation, gastrointestinal (GI) and endoscopy services, orthopedics, cataract and eye surgeries, outpatient IV infusions, an outpatient geriatric day program, and we provide care to swing bed dialysis patients. Baptist Attala also has a primary care clinic within the hospital.

Both Baptist Yazoo and Baptist Attala are 25-bed critical access hospitals that offer Central Mississippi patients professional and compassionate health care close to home.

Thank you  
for Supporting Radiation Oncology

## THANK YOU

for supporting Radiation Oncology and enhancing the services for our cancer patients! A recent software upgrade for our computed tomography (CT) imaging machine offers significant improvements in accuracy and faster results.

*The new software upgrade offers our patients:*

- Enhanced imaging
- Reduced radiation dosage
- Quicker treatment planning time

## ADDITIONALLY

We are grateful for our generous donors who made possible the major renovation of MBMC's emergency department, including two dedicated waiting areas for our pediatric patients. Our new emergency department has increased capacity and improved operations allowing us to treat more patients in less time. Our patients are now enjoying more amenities, such as phone charging stations, vending machines, and renovated restrooms.

## 2020 DONORS (January 1 - December 31, 2020)

Baptist Health Foundation is extremely grateful to all who support the mission and ministry of Mississippi Baptist Medical Center.

# Carry the MISSION

## 2020 IMPACT

**\$229,464**

Donations

**1,321**

Employees Donated

**112**

Employees Assisted

**20**

Local Charities Supported

Carry the Mission, Baptist Health Foundation's **employee giving program**, made a tremendous impact in 2020. A total of 1,321 employees contributed \$229,464 to the fund last year, allowing Carry the Mission to provide financial assistance to 112 team members and donate to 20 local charities.

Carry the Mission directs every dollar donated to address three different needs. Forty percent of each employee's donation goes toward employee benevolence, 40 percent toward community nonprofit organizations and 20 percent to the Baptist Health Foundation to support both hospital and community outreach.

We are extremely proud of Carry the Mission's impact in the lives of our team members and in our local communities each year. We are grateful for our team members' annual support and generous contributions to this meaningful program.

# Thank you

for Carrying the Mission

*"We often think of giving as an act, but what if instead we were to think of giving simply as a condition of the heart, allowing us to put our love in motion by making a difference where we can? There is no better feeling than freely giving and loving, and this is why I give to Carry the Mission."*

## MISSION STATEMENT

Our Mission is to assist Mississippi Baptist Medical Center in providing the highest quality health care, guided by its Christian faith, through financial support and stewardship.

## VISION STATEMENT

Our Vision is to be our community's preferred health care charitable organization, recognized for extraordinary stewardship, involving all those wishing to share gifts of time, talent, and resources.
