

 **BAPTIST**<sup>®</sup>

HEALTH FOUNDATION

2021 Annual Report

## Dear Friends of the Baptist Health Foundation,

2021 reminded us that life is unpredictable. We began the year optimistic the pandemic would end, but spent the year challenged by COVID-19, yet again. Throughout another up and down year, the Baptist team met extraordinary demands. They rose to the challenge and so did our donors.

In the year ending December 31, we received \$1.5 million in gifts from our benefactors. This extraordinary support allowed us to fund crucial projects for Mississippi Baptist Medical Center and our critical access hospitals. Our largest distributions were for new equipment in our expanded ICU and a new x-ray machine at Baptist Memorial - Leake. We also opened our new Chapel, part of the larger Critical Care Waiting Area, which will open in the spring of 2022.

While these large distributions are noteworthy, we also meet smaller needs on an almost daily basis. For example, we cover the upkeep of the Cancer Center's Serenity Garden. If you or a loved one has been treated for cancer here, you know this space provides a peaceful retreat where patients and families can relax and recharge. We run an employee benevolence program for staff when they fall on hard times and need assistance. We support pastoral care with unanticipated needs for patients, such as a car seat for new parents who need to drive home with their baby for the first time, or services for families who have lost a loved one and cannot afford a funeral. We often cover lodging for families who have traveled great distances for treatment and cannot afford a hotel. I have met some of these families, alongside our chaplains, and their appreciation is genuine and touching.

While much of our support comes from the community through individuals, corporations, and foundations, one group that also merits recognition is our employees. Over 1,300 of our team members contribute through payroll deduction to our employee giving program, Carry the Mission. Carry the Mission

funds three areas: employee benevolence, community grants, and Foundation projects. The heart and soul of Carry the Mission is employees helping each other and local organizations that benefit our community. It also ensures that employees take pride in large Foundation projects, such as the Chapel Hall Critical Care Waiting Area, knowing that they, too, contributed to make our hospital better.

Each year, Carry the Mission receives nearly \$250,000 through employee giving! Even during two years of the pandemic, when our employees faced immense challenges, we set records for new giving. From inside and outside our hospitals, we receive generous support. We thank you, and our great colleagues, for such inspiring generosity!

As we move into 2022, we will finally open the Chapel Hall Critical Care Waiting Area, which is nearly complete. We will underwrite projects for our Pharmacy, Emergency Department, ICU, Cancer Center, and Surgery Departments. We are working with early funders on a new project with our colleagues at Baptist Heart that we will unveil in next year's report. It will be a life-changer for Central Mississippi.

Without you, none of this would be possible. On behalf of all our Baptist team, we thank you!

With much appreciation,

Stephen D. Snead  
Executive Director  
Baptist Health Foundation

## Dear Friends,

Last year in my update, I wrote about how special the Baptist team is and how they responded to COVID-19 by rising to the challenge and providing outstanding patient care, despite an ever-changing environment.

I could write that same update again, and every word would still be true. Our team has risen to meet every challenge and excelled in the face of extraordinary difficulties, but that is not all.

Despite the obstacles, here at Baptist we continue to move forward with key strategic initiatives, even in the face of staffing shortages and multiple COVID-19 surges. By the time you read this, our newly expanded ICU will be complete. It is hard to imagine doing construction inside a hospital while providing 24/7 patient care, but that is what we have done and it will mean 12 more ICU beds to take care of our community's most vulnerable patients. Our team did that without missing a beat.

Additionally, we will soon dedicate our new Critical Care Waiting Area, part of the Chapel Hall project you so generously supported over the years. The new Chapel opened recently and is already providing a quiet place of prayer and solace for patients and families. You cannot miss the new cross when you walk into the lobby and the Chapel itself features another cross recognizing our friends from the Mississippi Baptist Convention Board, who so generously supported the creation of this beautiful space. It is a testament, both to the generosity of our friends and Baptist's mission of providing faith-based care for the citizens of our state.

Other good news from 2021 includes the first full-year of the mobile mammography unit, purchased by the Foundation through your generous support. 2020's operations were hampered by the pandemic, but I am pleased to share that the mobile mammography program screened 2,607 women last year with 326 referred for additional follow up. Our staff have relayed stories of many women saying this is their first mammogram. Each week, the unit visits Attala, Leake, and Yazoo Counties, as well as Vicksburg, bringing state-of-the-art 3D mammography to communities that lack it. Your support made this life-saving early detection possible.

Not to be overlooked, Mississippi Baptist Medical Center continues to receive accolades for excellence. In 2021, we were named the best hospital in Mississippi by U.S. News and World Report for the third consecutive year. We also received an A rating for patient safety from Leapfrog.

Much of the good news above was supported directly through your generosity to the Baptist Health Foundation. On behalf our entire team - physicians, nurses, and staff - thank you for making so many things possible for our patients and their families. Now, more than ever, your support makes a difference.

With sincere gratitude,

A handwritten signature in black ink that reads "Bobbie K. Ware". The signature is written in a cursive, flowing style.

Bobbie K. Ware  
Chief Executive Officer  
Mississippi Baptist Medical Center

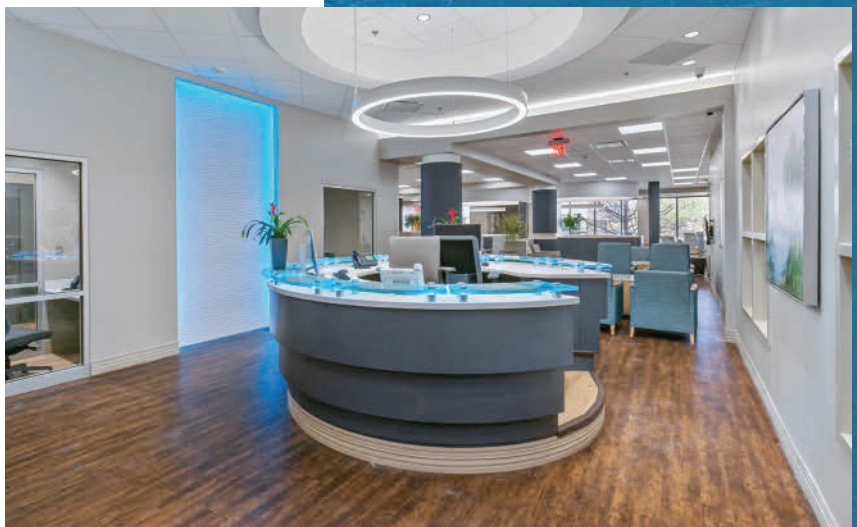

## Our New Chapel Hall Critical Care Waiting Area

**Few circumstances are more stressful than having a loved one in a critical care unit.**

During such emotionally difficult periods, patients' families and friends want to be close by, providing much-needed care and support while receiving up-to-the-minute information.

We are addressing their unique needs by offering an innovative space that will ensure the best possible experiences for critical care patients and their loved ones. None of this would be possible without donor support. On behalf of the families of our critically ill patients, thank you!

- New, enlarged chapel
- Two consultation rooms
- Mobile charging stations
- Wi-Fi
- Dining area
- Private carrels
- Printers
- Secure family restrooms
- Personal lockers
- Kids' playroom

As we will soon open the Chapel Hall Critical Care Waiting Area in 2022, we again want to thank donors who committed leadership level gifts to make this special place possible.

**In addition to those recognized below, we want to express our sincere appreciation to all of the hundreds of donors who made gifts, large and small, to achieve this goal.**

- Ergon Foundation, Inc.
- Ann & Rick Calhoun
- Mississippi Baptist Convention Board
- James M. Thomas & Luvie C. Thomas Foundation
- Stribling Equipment, LLC
- Dea Dea & Dolph Baker
- Henry & Martha Hederman Charitable Foundation
- Suzan & J.H. Thames, Jr.
- Jackson Pulmonary Associates, P.A.
- MBMC Volunteer Auxiliary
- Regions Foundation
- Feild Co-Operative Association, Inc.
- The William H. Ellsworth Foundation
- Mr. & Mrs. Kurt W. Metzner
- Betsy & Kane Ditto
- N.L. Carson Construction Company, Inc.
- Carry the Mission
- The Walker Foundation
- Lisa & Chris Anderson
- Mrs. Robbie W. Hughes
- The R.H. Green Foundation
- Drs. Becky & Chris Waterer
- Dr. & Mrs. Neil Haraway
- Dr. & Mrs. Bob Wilkerson
- Bobbie & Robert Ware

*Thank you for making this remarkable vision possible!*

## Joyce Farmer

Tenacious Cancer Survivor

*“One of the employees realized how scared I was and prayed with me. She genuinely cared...”*

“I did not expect to leave my mammogram appointment with bad news, but I did,” said Joyce Farmer. “My daughter and I made our mammogram appointments at the same time, so she was with me when I was told I had tumors in both breasts. The next year and a half is such a blur.

“I was told I would have to have a double mastectomy, but needed to undergo chemotherapy first, and probably radiation therapy after my surgery. I remember being in the waiting room and being so nervous right before my first chemotherapy treatment. Because of the pandemic, patients couldn’t have anyone with them for procedures, so I was alone. One of the employees realized how scared I was and prayed with me. She genuinely cared, and that meant the world to me. They were all so wonderful there. From the time I walked in the door of the Cancer Center to the very last treatment, they were amazing!

“The journey wasn’t easy, though,” she admitted. “The chemo was rough on me. It made me feel so bad and then I had surgery where both breasts were removed and, after that, I underwent radiation therapy where the radiation caused painful blisters. Nearly a year and half later, with my final treatment in November, all that’s behind me. My husband and daughter were with me by my side through it all. I don’t know what I would have done without their support.

“I’m feeling really good now and walk two miles a day with my husband. With the great care from everyone at Baptist and the support of my husband and my daughter, I feel so blessed.

**I’ve seen God’s hand in this from start to finish!”**

## Katia Sutton

Grateful Pediatric Patient

"I was in such pain, but we didn't understand what was going on with me," said Katia Sutton who is now 18-years-old. "It all started about two years ago when I began to get boils all over my body - from my underarms to my knees."

Katia has a rare condition called Hidradenitis Suppurativa, also known as HS, where painful boils form under the skin. They may gradually heal and then recur, and can lead to tunnels under the skin and even scarring.

Several doctors had tried multiple treatments including oral medications and injections, but her condition only got worse.

In Katia's case, the boils became infected which made the pain almost unbearable. "During one of my early hospital visits, a nurse on the fourth floor and a hospitalist referred my mom and me to Dr. Sana Bhatti, a pediatric plastic surgeon associated with Baptist and who has experience treating patients with HS. When we visited Dr. Bhatti's office the following week, I could hardly walk and was hurting so badly Dr. Bhatti could not examine me in her office. It hurt me to move."

Katia's condition was in Stage 4. Dr. Bhatti performed a debriding of the boils the next day. "During the first procedure, Dr. Bhatti opened and cleaned the boils. From this procedure she determined that, in order for my underarms to heal, the skin beneath them needed to be removed. I was in the hospital for 10 days, during which I had two more surgeries to remove the skin under both my arms. The care received during the visit was great!" Katia said. "One of my favorite things about the experience was getting peppermint anesthesia," she smiled. "I loved that!"

"The first surgery was pretty involved," explained Katisha Sutton, Katia's mother. "If we had waited any longer, the outcome may not have been as positive. The infection had almost gotten to the muscle."

*"The fourth floor nurses and doctors were awesome—I called them my 'hospital angels.'"*

Since Katia started battling HS prior to her 18th birthday, she was considered a pediatric patient and developed a bond with the pediatric staff. "The care Katia received at the Baptist was amazing," said Katisha. "We received really great treatment. The fourth floor nurses and doctors were awesome—I called them my 'hospital angels.'"

"When I would feel bad at home and have to come back for subsequent procedures, I actually looked forward to going to the Baptist," said Katia. "My last surgery was skin grafts to cover my under arms, which was the week following graduating from high school."

Seven months later, Katia has recovered from her surgeries but continues to be monitored and receive treatment for HS. She is a sophomore at Hinds Community College where she is studying Accounting.

"I am thankful for all the great care I got at the Baptist and that things turned out so well," said Katia.

**"It feels really good to be pain-free!"**

## Jimmy Erickson

A Believer in  
Heart Screenings

“Just like any other morning, we were watching television while eating breakfast,” said Cindy Erickson of Yazoo City. “An ad came on about heart screenings at Baptist. The cost was very reasonable and I looked at my husband and said, ‘You know, we should do that.’ He agreed, so I made an appointment for both of us.

“My screening went fine, thankfully. But the staff told me they wanted us to stay so the doctor could take a closer look at my husband. After the physician ran some additional tests, he told my husband, ‘Mr. Erickson, at some point you’ve had a heart attack’ and promptly scheduled a heart cath for that following Monday. Results of the heart cath showed they didn’t need to waste any time in getting him to surgery. In fact, he had triple bypass surgery the very next day.”

“It happened so fast, I hardly had time to think about it!” said Jimmy Erickson, the 68-year-old retired farmer. “That screening saved my life! Looking back, I suppose I did have some symptoms; I just didn’t pay much attention to them. I thought I was tired just because of getting older, but after the surgery, I feel a whole lot better. I have so much more energy. I play golf as often as I can and exercise at least 30 minutes a day on the elliptical machine.

“During my stay at the hospital, everyone was just great!” he said. “I received excellent care.”

“All the staff were so kind and sweet to us,” said Cindy. “They treated us like family. The care was much better than we ever expected. **I want to tell everyone they should get screened, because we feel sure that the Baptist Heart screening saved Jimmy’s life!**”

*“All the staff  
were so kind  
and sweet to us.  
They treated us  
us like family.”*

**HEARTS & CLUBS**  
GOLF TOURNAMENT

After calling off our 2020 Hearts & Clubs Golf Tournament due to the pandemic, everyone was “all in” for 2021! With 34 teams participating on April 12, at the Country Club of Jackson, the event was a huge success – raising more than \$55,000.

We are extremely grateful for the devoted golfers and generous sponsors who helped generate funds for life-saving equipment benefitting our cardiovascular patients. We appreciate their enthusiasm and resolve in sticking with us through the ups and downs of the pandemic. Be sure to mark your calendars for the April 11, 2022, Hearts & Clubs tournament for another fun-filled day in support of our heart patients!

**Cyclists Curing Cancer “Reimagined”**

The Cyclists Curing Cancer Century Ride went virtual in 2021 due to the COVID surge, and some riders made the best of it! In fact, a few people participated who, otherwise, would not have been able to join the Ride – like François Beghin all the way from Belgium who seem to enjoy the day and certainly contributed to the excitement!

**CYCLISTS CURING CANCER  
CENTURY RIDE 2021**  
SATURDAY | SEPTEMBER 11 | 7:00 a.m.

**BAPTIST** HEALTH FOUNDATION

**Fund for the girls** is a true difference-maker when it comes to breast cancer in our state. Mississippi's breast cancer mortality rate is among the highest in the nation, so detecting the disease early – primarily through screening services – is crucial.

**Fund for the girls** supports underserved Mississippians by breaking down financial barriers that prevent some from seeking needed breast health services, including screening and diagnostic mammograms, ultrasounds, biopsies and other services medically indicated. It helps women through the full continuum of breast care, not just a single episode of care.

Mississippi Baptist Medical Center and our radiologists make **fund for the girls** possible by reducing mammogram fees for these patients. Baptist Health Foundation, through generous donations to **fund for the girls**, provides financial assistance to cover the remaining costs.

One hundred percent of funds raised goes to support local, direct patient care.

**2021 IMPACT**

- 70 PATIENTS ASSISTED
- 73 MAMMOGRAMS
- 9 ULTRASOUNDS
- 3 BIOPSIES

*Thank you for supporting our  
Mobile Mammography Van!*

**YOU ARE MAKING A DIFFERENCE!**

**NUMBERS THAT COUNT**

In 2021 the new Mobile Mammography Van visited Carthage, Kosciusko, Yazoo City and Vicksburg, bringing life-saving technology and care.

- 2,607** Mammograms performed
- 326** Women referred for additional follow-up
- 239** Days on the road
- 22,818** Miles driven

# 2021 Donors JANUARY 1, 2021 - DECEMBER 31, 2021

Baptist Health Foundation is extremely grateful to all who support the mission and ministry of Mississippi Baptist Medical Center.

# Carry the MISSION

## *Baptist employees are amazing!*

One of the wonderful things about working at Baptist is a special program called **Carry the Mission**. Over 1,300 staff contribute through payroll deduction to this robust employee giving effort. **Carry the Mission** funds three areas: employee benevolence, community grants, and Foundation projects. The spirit of **Carry the Mission** is employees helping each other in emergency situations as well as assisting local organizations that benefit our community. It also allows a way for employees to take pride in large Foundation projects, such as the Chapel Hall Critical Care Waiting Area, knowing that they, too, contributed to make our hospital better. Even during two years of the pandemic, when our employees faced immense challenges, we set records for new giving.

We extend a huge “thank you” to the hard-working, dedicated team members at Baptist for their incredible generosity!

### **In 2021:**

- 1,363 employees gave \$241,920 to Carry the Mission

### **This extraordinary generosity:**

- Provided 56 scholarships
- Supported 24 requests for benevolence
- Helped 39 families with 106 children receive Christmas assistance
- Assisted 19 local charities

Giving to **Carry the Mission**  
is another way I can help others  
in my organization and community.  
I have personally seen how it has blessed  
so many people. I'm grateful to be a part  
of such an amazing program.

**Nikki Fair**

I give to **Carry the Mission** because I feel like it's always better to give than to receive. It seems like you're the one who's blessed when you give.

## **MISSION STATEMENT**

Our Mission is to assist Mississippi Baptist Medical Center in providing the highest quality health care, guided by its Christian faith, through financial support and stewardship.

## **VISION STATEMENT**

Our Vision is to be our community's preferred health care charitable organization, recognized for extraordinary stewardship, involving all those wishing to share gifts of time, talent, and resources.

*To learn more about volunteer opportunities at Baptist, call 601-968-1210.*

*Thank you  
for supporting  
our Christian  
healing ministry!*

For the message of the cross  
is foolishness to those who are perishing,  
but to us who are being saved  
it is the power of God.

I CORINTHIANS 1:18
